**Note**: We are now providing online audio-visual sneak peeks and training sessions using GMT's Ventrilo Voice Server and Vassal modules. Click here for details on the free service. Enjoy!

-----

We provide or sanction electronically assisted gaming modules as well as "Living Rules\*" for our games free of charge. We have only two restrictions on the use of these files:

In order to legally use these files to play a game, at least one of the players must own a copy of the game upon which that module or files are based.

All rights, copyrights, and trademarks of this page's Living Rules and the associated original games remain vested in GMT Games, LLC and/or the original game artists. We hereby grant permission for players to make photocopies of rules, playbooks, player aids, or other game-related content posted herein for personal, non-commercial use. Any use of these materials except for that express non-commercial use is prohibited without express permission from GMT Games, LLC.

\* Living Rules may encompass rulebooks, playbooks, player aids, and other printed game related content.

You can download the VASSAL engine Here.

\*All files are ZIP files that must be de-compressed before usage (3/10/2009).\*
